

## Management

### **Sibylle Stromeyer, MBA HSG, Chief Executive Officer**

Sibylle Stromeyer is the Chief Executive Officer of BeCompany. She provides leadership and strategic oversight for all operations in the company. Her management experience spans over 15 years in global industries and she has excellent references in Marketing, Sales and Consultancy. Sibylle previously took the position of the Chief Operating Officer in one of the leading Open Source integration companies. She keeps an Executive Master of Business Administration in Media and Communication of the University of St. Gallen where she taught a variety of Team Performance courses.

### **Andreas Hartmann, Chief Technology Officer**

Andreas Hartmann plays a significant role in our strategic technical decisions. He takes the lead in monitoring existing and new open source technologies, aligning their potential to our customers' needs. He brings more than 5 years experience as an Apache committer in evolving technologies to BeCompany. As founder of [cocooncenter.org](http://www.cocooncenter.org) (<http://www.cocooncenter.org>) and main software developer of Apache Lenya during his last job as CTO, he brings a strong background and experience in enterprise technologies and cross media publishing to our company.
