

Monthly Trend Meeting at BeCompany

For those who are interested in trends, new technologies and best practice: We are planning to meet each other on a monthly base. A goal of the meeting is to bring users, developers, and business managers together to talk and present the latest technological and social topics. Everybody who is involved in internet applications is welcome. The first meeting will be held at the Mainaustrasse 21 on January 8 and is sponsored by BeCompany. Don't hesitate to contact us if you are interested!
